Welcome.

Gladstone Chamber of Commerce and Industry invites the opportunity for you to become a valued Sponsor for our annual Business Expo. The annual Business Expo aims to facilitate connections among business owners, managers, and the broader community, fostering future collaborations and raising awareness about the diverse array of products and services offered by our local businesses. Our inaugural Business Expo saw tremendous success, featuring over 53 exhibitors, ranging from not-for-profits and micro-businesses to government organisations and large industries. Limited sponsorship opportunities are available for the 2024 Business Expo, and we invite you to consider supporting our event. Sponsorship ensures that the Business Expo remains accessible to notfor-profits and small businesses, while also supporting GCCI, an incorporated notfor-profit, in delivering projects and programs such as our Buy Local Campaign. We anticipate your presence at the Business Expo, where we will showcase why the Gladstone Region truly stands out as the region of choice and opportunity.
